

2020 Prams in the Park Classes (Ages 8 to 11)

MCSC's nationally recognized "Prams in the Park" program introduces sailing and water safety to children at Discovery World Lagoon. Students learn water safety, rigging, sail theory, basic maneuvers and practice a capsized recovery drill under the watchful supervision of MCSC instructors.

The "Prams in the Park" program began in 1985 and has received numerous accolades for introducing children to sailing and water safety. Need-based scholarships are available. Call MCSC (414-277-9094) for more details. Or visit SailingCenter.org for more details, including Swim Test requirements.

Prams in the Park – Level 1 Discovery World Lagoon

<u>Section & Dates</u>	<u>Time</u>

Course fee: \$150 – No membership required.

Prerequisite: Two (2) prior Level 1 classes or instructor consent.

Prams STEM Camp

Discovery World and the Sailing Center partner with youth to navigate into a STEM water world to explore the inner science of water and the on-water tactics of sailing. This exciting new week-long program allows students to spend a half day sailing on water and a half day working in Discovery World's water lab.

<u>Section & Dates</u>	<u>Time</u>
DW1-A-STEM – July 6-10	9:30 am to 4:30 pm
DW1-B – STEM – August 3-7	9:30 am to 4:30 pm
DW1- C -STEM – August 10-14	9:30 am to 4:30 pm

Course fee: \$400 – No membership required.
