

## All New *Family Sail* Program

*Experiences shared in a family and an appreciation of an activity passed on from mentors or aspiring mentors, are the foundation of pastimes that endure for a lifetime.*

MCSC's Family Sail program will introduce the joy of sailing to your family!

Sailing instruction is centered around enjoyable games and races in a fun, safe environment.

MCSC will assist your family in creating wonderful memories, lifelong skills and a passion for sailing!

Cost ranges from \$375 for a parent with one child to \$585 for two parents and two kids.

Children 8 years to 17 years old are welcome to participate.

**To register for the Family Sail program  
Or to get additional information  
including a complete list of class dates and times  
Please contact the Milwaukee Community Sailing Center:**

**Phone: 414-277-9094**

## Global "Summer Sailstice" Coming to Milwaukee!

**S**ail locally, celebrate globally," is the motto of the international Summer Sailstice event scheduled worldwide for Saturday, June 19.

The Milwaukee area's sailing community including the Sailing Center, Milwaukee Yacht Club, South Shore Yacht Club and Mid America Sail & Trail organizations are teaming up to give sailors, as well as those who have always wanted to take a sailboat ride, or just want to enjoy the lakefront, a day of fun.

For the first time in Summer Sailstice's 10-year history, Milwaukee will play a major role with events all day long including community meals, parties, the Milwaukee Bay Challenge Regatta, sailboat poker run and more.

"This is a day when the whole world will be sailing!" said Bill Mosher, local event organizer, sailing volunteer and Sales and Marketing Director for Forespar Marine Products.

"There will be hundreds of boats on the water and plenty of opportunities for Milwaukee-area residents to take in the scenery, enjoy food and live music, experience the organizations that make sailing available in Milwaukee and get out on the water and enjoy our amazing lakefront.

Summer Sailstice is a global sailing event held annually near the summer solstice, the longest sailing days of the year. Sailing Magazine named the celebration one of sailing's "Top 10 Events."

Please visit [www.summersailstice.com](http://www.summersailstice.com) for more information, to find other local, regional, national and international events, connect with other participants and to win prizes.

### Sailing Center

#### Summer Sailstice Activities

**Call 414-277-9094 For Reservations & Information**

# SUMMER CLASSES ARE HERE!!

Sign up online or contact MCSC at 414-277-9094

## ALL HANDS ON DECK!

On Saturday, May 15th and Saturday, June 12th we could use the help of many able bodies to help with sprucing up the Sailing Center grounds and buildings. We will be helping to plant the rain garden, painting dull woodwork, organizing the dock house and more. So, join us for sailing with the Spinnaker Club, some lunch and then grounds cleanup. We have plenty to do and many hands will make light work. Please let us know if you can help: 414-277-9094

## Who's At the Helm...

### Dick Prodehl!

Dick Prodehl was first introduced to sailing in high school when he was invited to sail with friends at SSYC. He went home after that Sunday afternoon outing with the desire to go again. His next opportunity to sail was in Panama on a two week cruise in the San Blas Islands. It was on that trip that he and his wife, Barbara, both fell in love with sailing. Upon returning to Milwaukee in the late 70's, Dick became aware of the MCSC, signed-up for lessons and began racing on Friday nights and Sunday mornings.

During his summers off from teaching Special Education at MPS, Dick had the opportunity to sail the Great Lakes, the east coast of the U. S., the Bahamas, Caribbean, South Pacific and Mediterranean. Some of that sailing was done with members of the sailing center and at other times by answering ads on the internet for "crew wanted". Although he has retired from his career as a public school teacher, he continues to teach adult sailing at MCSC. On windless days, he enjoys riding his bike or kayaking.

Dick believes the MCSC is one of the best sailing programs in the nation. Through his involvement at MCSC, he has had many adventures and formed lasting friendships. His advice for new members: "Keep working to get a least a medium rating. You'll be glad that you did."

## MBWSO Update

**M**BWSO continues grow with skippers returning with bigger boats. Whitney Kent is running the show on a J-30 and Phyllis McDonald has moved into a Cayenne 41. A few new boats this season include a J-35, "Nemesis," skippered by Dana Felton; a Catalina 27 "Irie," crewed by last year's "Wild Goose" team now skippered by Nicki Reinardy; and a Soling helmed by Ashley Henderson.

While the MBWSO fleet is always looking for more boats to join the fleet, we also have a few owners who are looking for a skipper/crew boss to run their program. Contact Phyllis or Fran for more information.

### US Women's Match Racing Program, Sheboygan, WI

Access this link for more information: <http://sailsheboygan.us/> follow the menu for events or look to MBWSO.org for information

### Women's Sailing Convention in Milwaukee?

The Milwaukee Community Sailing Center is interested in providing the venue for the first Annual Women's Sailing Center held in Milwaukee. The event uses a multi-workshop format presented by top women sailors and would be patterned after the 21 year old South California Yachting Association's event. The MBWSO fleet was in favor of investigating the possibility of bringing the event to Milwaukee. Access this link for more information:

### NEW SAILING CENTER WINDHOVER COMMUNITY ROOM, CLASSROOMS & GROUNDS ARE AVAILABLE FOR LIMITED RENTALS

The new Sailing Center has been built! With our expanded facility, MCSC will continue to follow its mission of promoting sailing and making Lake Michigan available to everyone in Milwaukee through quality programs. While that is, and will remain, the primary purpose of the Sailing Center, there will be times throughout the year when the classrooms, Windhover Community Room and grounds may be rented for corporate or personal use.

Rental rates are subject to change and availability and will vary according to season and days of the week. Rental rates range from Summer-Weekend Evening Non-member rates of \$1,000 for four hours in the Windhover Room to \$200 for non-summer daytime use by a member.

If you are interested in more information about renting space at the Milwaukee Community Sailing Center, please contact Peter or Holly  
414-277-9094

*Inside the May Issue:*
