Chicken Teriyaki, and South Pacific Mixed  
Seafood Grill from 7:30-9:00 pm

### Entertainment

"Hawaiian-Style" entertainment and dancing  
Silent Auction supporting MCSC programs  
100's of fabulous packages for bidding!

Ho'olu komo la kua  
(Tickets are still available)

## Volunteers Still Needed

We still need volunteers for this year's Sailor's Ball. Help is needed for setup on the day of the event and for teardown and cleanup after the festivities. Setup will take place between 8:30 am-4:00 pm. Any help during that time will be appreciated. Teardown and cleanup will take place between 11:00 pm-1:00 am. Call the MCSC office at 414-277-9094 to sign up.

## Instructor's Instructor

Congratulations to Jon Breschak for completing U.S. Sailing's Instructor Trainer course held January 10-13 in Miami, FL.

The intense 4-day, 44-hour training didn't leave much time to see South Beach, but his efforts paid off. Jon is now certified by U.S. Sailing to teach and certify Level 1 sailing instructors for MCSC's youth programs.

Jon Breschak

## Adaptive Sailing Program

Jan Lawrence (right) uses the transfer station to assist Kevin Winter into Pizazz prior to sailing.

With the installation of the new docks and the ADA compliant ramp, MCSC's Adaptive Sailing Program (ASP) had a good 2004 season. Many thanks to MCSC staff member and physical therapist Jan Lawrence for her help. For the 2005 season, MCSC needs additional volunteers to provide assistance to ASP sailors. If

you have physical or occupational therapy experience, or a medical background, we can use your help. More general help giving lessons and boat rides will also be welcomed. Call the MCSC office at 414-277-9094 and talk to either Holly or Peter.

## Around The World

Ellen MacArthur, sailing the 75-foot trimaran B&Q, has broken the solo, non-stop round-the-world record. Starting November 28, MacArthur sailed 27,354 miles in 71 days, 14 hours, 18 minutes and 33 seconds and finished on February 7. The boat's average speed was 15.9 knots.

Sailing through gales and around icebergs, and sleeping only 20 minutes at a time, MacArthur beat the previous record by 1 day, 8 hours, 35 minutes and 49 (Continued on next page)

Opening Day	Apr. 30, 2005
Hands-On Kitesurfing	Apr. 30, 2005, 1:00 pm at MCSC

## Ellen MacArthur Continued . . .

seconds set only last year by Frenchman Francis Joyon on the 90-foot trimaran IDEC. He knocked an incredible 21 days off the previous record.

That MacArthur would break the record was never a forgone conclusion. After crossing the Southern Ocean, MacArthur was 5 days and 2 hours ahead of Joyon's record as she approached to Cape Horn. Then MacArthur hit the doldrums of the South Atlantic and fell 13 hours behind Joyon's pace.

*Ellen's boat, B&Q*

The 28-year-old MacArthur was born in landlocked Derbyshire, England and was introduced to sailing at the age of 8 by an aunt. By the age of 11 she had purchased her first dinghy with lunch money. In 1995 at the age of 18, MacArthur sailed solo around Britain in a 21-foot sloop. She won the 1998 Route du Rhum Open 50 class and placed second in the 2001 Vendée Globe aboard the Open 60 class boat Kingfisher.

And, as if her resumé weren't polished enough, MacArthur has been titled Dame Ellen MacArthur by the Queen of England.
