

Fall Regatta 2004

The Fall Regatta was held on Saturday, September 25th. The first two races took place inside the wall and were held in light to medium air conditions. Then someone turned off the air switch around 1:30 p.m. During the last race, out the north gap and back in the south gap, the fleet took one hour and 45 minutes before regrouping at the south gap and stalling out. Unfortunately, they were blocking the Lake Express ferry from its appointed rounds. The race committee abandoned the race and Jon Breschak masterfully

Jon Breschak pulls becalmed boats off the course and out of the way of the Lake Express.

but there was no wind and the race was cancelled before leaving the dock. Some might say we had the other extreme on Sunday, October 3rd. The southwest wind blew down the 0.7 mile, windward-lee-ward course with leeward gates at 20 knots with gusts to 25 knots. The boats took a beating. After two races, and with the wind gusts increasing to 30 knots, everyone headed for the docks. Team Prodehl (Dick and Barb) was the overall winner. Second place was claimed by helmsman Karl Saynisch with Jerome Nicholas and Chad as crew. Doug Drake with crew Cathy Switalski and Beth Thompson took third place.

The start of the second race in the 2004 Ensign Championships was a good one.
